County Durham Handyperson service

Bernicia now runs a Handyperson service that undertakes small scale jobs for residents of County Durham who are 60 or over, disabled, a victim of crime, at high risk of falling or who are vulnerable in other ways.

What type of jobs can the Handyperson do?

The service can undertake small jobs in and around your home, taking up to a maximum of 2 hours, which affect your safety, security and comfort. The Handyperson can do a home safety check to identify work that needs to be done to help you feel safe and prevent you from tripping or falling.

The service is available to both owner occupiers and tenants, but tenants will need to check first whether some jobs are the responsibility of their landlords.

Examples of Handyperson jobs:

Replace light bulbs

Move pieces of furniture

Change tap washers

Fit new or replacement locks

Hang pictures and mirrors

Put up curtain rails

Put up shelves

Fit or replace toilet seats

* The list above is not exhaustive, if you have any questions about other jobs which you may need assistance with please give us a call to discuss how we may be able to help you.
